

GUEST GUIDE

To ensure a quality and comfortable stay

First things first...

Internet Network Name:

WIFI Password:

Yes, there is a mini bar, and yes it's free! Please indulge in the items we have specially selected for you. Enjoy!

There is an extra iPhone and Android phone charger in the drawer of the nightstand.

TV remote is in the nightstand. Please use Netflix and Amazon Prime. Accounts are already logged in for you.

First Aid Kit and Hangover Kit are in the bathroom under the sink if needed.

Bathroom Essentials

In case you forgot...

We have stocked the cabinet under the sink with any and all the essentials you could possibly need for morning or night. If we have forgotten something or you have an idea for a useful addition, please notify the host.

Extra towels for body, face and hands can be found in the bathroom closet. Please use as many as you need and place dirty towels in the bedroom hamper.

For your comfort

There are fresh bath robes
and slippers in the
bedroom closet for you.
Please enjoy and relax.

There are extra pillows
and blankets on the top
shelf in the closet.
Please let us know if
you need more.

There is a diffuser and a
set of essential oils on the
dresser. Create your
perfect mix and set the
vibe of the room.
